Yale University
School of Public Health
60 College Street
New Haven, CT 06520-8034
Phone: 203.785.7475
Fax: 203.785.6287
Email: william.gallo@yale.edu

ACADEMIC POSITIONS

PRIMARY APPOINTMENTS

- 2007 – present Research Scientist, Department of Epidemiology & Public Health, Division of Health Policy & Administration, Yale University School of Medicine
- 2001 – 2007 Associate Research Scientist, Department of Epidemiology & Public Health, Division of Health Policy & Administration, Yale University School of Medicine
- 1999 – 2001 National Institute of Mental Health Postdoctoral Fellow, Department of Epidemiology & Public Health, Division of Chronic Disease Epidemiology, Yale University School of Medicine
- 1998 – 1999 Lecturer, Department of Business, Management, & Economics, State University of New York (SUNY), Empire State College

OTHER APPOINTMENTS

- 2005 – 2007 Faculty Affiliate, Robert Wood Johnson Clinical Scholars Program, Yale University
- 2004 – 2005 Core Faculty Member, RAND/Hartford Center for Interdisciplinary Geriatric Research, Yale University
- 2003 – present Visiting Research Scientist, Social Integration Research Group, Psychiatric University Hospital, University of Zurich, Switzerland
- 2002 – present Faculty Affiliate, Yale Program on Aging/Claude D. Pepper Older Americans Independence Center
- 1991 – 1992 Lecturer, Management Institute, Philander Smith College, Little Rock, AR
- 1992 Adjunct Instructor, Economics, University of Arkansas at Little Rock, AR

NON-ACADEMIC POSITIONS

- 1990 – 1992 Manager, Stanley H. Kaplan Educational Center (Kaplan Test Prep)
Bedford, TX/Little Rock, AR
- 1987 – 1988 Staff Auditor, Arthur Andersen & Co., Hartford, CT

EDUCATION

- 1999 – 2001 Postdoctoral Fellow in Epidemiology, Yale University School of Medicine
Training in mental health epidemiology and epidemiology of aging
- 1999 Ph.D., Economics, University of Connecticut, Storrs
Concentrations in health and labor economics
- 1997 – 1998 Predoctoral Fellow in Gerontology, Center on Aging and Human Development,
University of Connecticut, Storrs
- 1996 M.A., Economics, University of Connecticut, Storrs
- 1992 – 1994 Postgraduate Studies, Mathematical Economics/Econometrics, University of
New South Wales, Australia
- 1990 M.B.A, American Graduate School of International Management
(Thunderbird School of Global Management), Glendale, AZ
- 1987 B.S., Business Administration, University of Hartford, West Hartford, CT

AWARDS

- 1998 Scholarship recipient, Panel Study of Income Dynamics/German Socioeconomic
Panel retreat, Syracuse University
- 1998 Dissertation fellowship, University of Connecticut, Department of Economics

JOURNAL ARTICLES

Gallo WT, Bradley EH, Kasl KV, Siegel M. Health effects of involuntary job loss among older workers: Findings from the Health and Retirement Survey. *Journals of Gerontology: Social Sciences* 2000; 55B:S131-140.

Gallo WT, Bradley EH, Siegel M, Kasl SV. The impact of involuntary job loss on subsequent alcohol consumption by older workers: Findings from the Health and Retirement Survey. *Journals of Gerontology: Social Sciences* 2001; 56B:S3-S9.

Gallo WT, Baker MJ, Bradley EH. Factors associated with home versus institutional death among canpatients in Connecticut (with editorial). *Journal of the American Geriatrics Society* 2001; 49:771-777.

Gallo WT, Bradley EH, Kasl SV. The effect of job displacement on subsequent health. *Quarterly Journal of Economic Research* 2001; 70:159-165.

Tinetti, ME, Baker D, Gallo WT, et al. Trial of a restorative model for older persons receiving an acute episode of home care (with editorial). *Journal of the American Medical Association* 2002; 287: 2098-2105.

Gallo WT, Endrass J, Bradley EH, Hell D, Kasl SV. The influence of internal control on the employment status of German workers. *Journal of Applied Social Science Studies* 2003; 123:71-82.

Siegel M, Bradley EH, Gallo WT, Kasl SV. The impact of husbands' involuntary job loss on wives' mental health, among older adults. *Journals of Gerontology: Social Sciences* 2003; 58B:S30-S37.

Endrass J, Angst J, Gamma A, Gallo WT, et al. Personality in bipolar-II disorders, with reference to family genetics: Results of a prospective epidemiological study. *Neurology, Psychiatry, and Brain Research* 2003; 10:121-124.

Bogardus ST, Bradley EH, Williams CS, Maciejewski PK, Gallo WT, Inouye SK. Agreement, adherence, and attainment: The path to achieving goals in geriatric assessment. *Journal of the American Geriatrics Society* 2004; 52:99-105.

Gallo WT, Bradley EH, Falba TA, Dubin J, Cramer L, Kasl SV. Involuntary job loss as a risk factor for subsequent myocardial infarction and stroke: Findings from the Health and Retirement Survey. *American Journal of Industrial Medicine* 2004; 45:408-416.

Siegel M, Bradley EH, Gallo WT, Kasl SV. The effect of spousal mental and physical health on husbands' and wives' mental health, among older adults: Longitudinal evidence from the Health and Retirement Survey. *Journal of Aging and Health* 2004; 16:398-425.

UNDER REVIEW

Sindelar JL, Fletcher J, Keenan P, Falba TF, Gallo WT. Occupation as a social determinant of health. *The B.E. Journal of Economic Analysis and Policy* 2008 (revise and resubmit).

Falba TF, Gallo WT, Sindelar JL. Retirement expectations, realizations and their effect on depressive symptoms. *Journal of Mental Health Policy and Economics* 2008 (revise and resubmit).

Vetter S, Gallo WT, Gulaev I, Mueller M, Henley RR, Kanukova Z. Impact of a resilience-enhancing program on teenagers from Beslan. *Child and Adolescent Psychiatry and Mental Health* 2009.

GRANTS & FUNDED RESEARCH

2007 – 2012	Co-Investigator Types of Stressors and Their Impact on Health-related Addictions: Smoking, Drinking, and BMI National Institute on Alcohol Abuse and Alcoholism, Grant # RL1 AA017542 (PI: Jody L. Sindelar/Rajita Sinha) Total direct costs for project period: \$1,211,112
2006 – 2010	Co-Investigator Work-life, Health Habits, and Health: Longitudinal Analysis National Institute on Aging, Grant #R01 AG027045 (PI: Jody L. Sindelar) Total direct costs for project period: \$1,717,006
2003 – 2008	Principal Investigator Health Effects of Involuntary Job Loss in Older Workers National Institute on Aging, Grant #K01 AG021983 Total costs for project period: \$580,000
2002 – 2007	Research Career Development Grant/Pilot Grant Awardee (2002-2003) Involuntary Job Loss as a Potential Precipitating Event for Functional Decline and Depressive Symptoms among Predisposed Older Workers National Institute on Aging, Grant #P30 AG021342 (PI: Mary E. Tinetti) Total costs for project period: \$8,178,324
2002 – 2005	Data Analyst (2002-2003) Treatment Goals at the End of Life National Institute on Aging, Grant #R01 AG19769 (PI: Terri Fried) Total costs for project period: \$1,160,175
2001 – 2002	Data Analyst Health Effects of Job Displacement among Older Workers in the US National Institute on Aging, Grant #R03 AG19138 (PI: Elizabeth H. Bradley) Total costs for project period: \$76,900
2000 – 2003	Data Analyst (2002-2003) Delayed Hospice Enrollment: The Impact on Family Caregivers' Quality of Life Nathan Cummings Foundation, Grant #18030(H) (PI: Elizabeth H. Bradley) Total costs for project period: \$152,000
<i>Under Review</i>	Principal Investigator A Life-Course Perspective on Job Loss: Pathways to Adverse Health and Mortality National Institute on Aging, Grant # R01 AG034970

Under Review **Co-Project Director**
The Effect of Involuntary Job Loss on Health Insurance Coverage and Health
Care Utilization of Dismissed Workers and Their Families
Robert Wood Johnson Foundation (Co-PD: Susan H. Busch)

Under Review **Co-Investigator**
Earnings and Health Outcomes of Job Displacement
National Institute on Aging, Grant # R21 PA06236 (PI: Kenneth A. Couch)

INVITED PRESENTATIONS

- 2002 Using secondary data analysis in aging research: An introduction to AHEAD, Center on Aging and Human Development, University of Connecticut, Storrs
- 2003 A research career in aging (Strategies for Early Career Development), Center on Aging and Human Development, University of Connecticut, Storrs
- 2004 Strategies for completing the dissertation and achieving early career success, Department of Economics, University of Connecticut, Storrs
- 2006 Health and behavioral effects of involuntary job loss on older workers: A look at the evidence, Program on Aging, Yale University School of Medicine
- 2006 The impact of late-career job loss on myocardial infarction and stroke: A 10-year follow-up study. Brown Bag Lecture Series, School of Family Studies, University of Connecticut, Storrs
- 2008 Effects of layoffs and plant closings on depression among older workers. Health Economics Lecture Series, University of Medicine and Dentistry of New Jersey (UMDNJ)

EXTERNAL RESEARCH COLLABORATION

Record of collaboration with investigators from:

US institutions: Princeton University, Duke University, University of California at Los Angeles (UCLA), Cornell University, Harvard University, University of Michigan, University of Connecticut, University of Maryland, United States Naval Academy, University of Pittsburgh, City University of New York (Hunter), Utah State University, Oregon State University

International institutions: University of Zurich (Switzerland), Netherlands Interdisciplinary Demographic Institute, University of Konstanz (Germany), Cardiff University (Wales), University of Waterloo (Canada), North Ossetian Institute of Humanitarian and Social Research (Russia)

POPULAR MEDIA

Original articles on Involuntary Job Loss research have appeared in: *New York Times*, *Wall Street Journal*, *US News & World Report*, *Toronto Globe & Mail*, *New Haven Register*, *New York Newsday*, *Die Zeit (Berlin)*, *Tages-Anzeiger (Zurich)*, *Gannet Newspapers*, various internet outlets (e.g. *Elderweb*, *Medscape*), *Oprah Magazine*, *AARP Magazine*, *AARP Bulletin (forthcoming)*.

Interviews & Reference to Job Loss studies: *National Public Radio*, *CNN Radio*, *CBS Radio*, *British Broadcasting Company (BBC) Radio*, *Australian Broadcasting Corporation Radio*, *The News Hour with Jim Lehrer*.

PROFESSIONAL ACTIVITY

2005 – 2008	Campus Representative, Connecticut Geriatrics Education Center
2005 – 2006	Representative, Yale Older Americans Independence Center, Research and Career Development (RCDC) Core Junior Faculty Committee, National Institute on Aging
1998 – 1999	Curriculum Committee, State University of New York (SUNY), Empire State College
1998 – 1999	Appointments & Promotions Committee, State University of New York (SUNY), Empire State College
1995 – 1997	Secretary, Association of Graduate Economics Students, University of Connecticut, Storrs

TEACHING EXPERIENCE

State University of New York (SUNY), Empire State College

Principles of Economics (combined micro/macro) (Spring 1999)

Numerous independent studies in management, marketing, and statistics (Fall 1998/Spring 1999)

University of Connecticut

Introductory Microeconomics (Spring 1998)

Operations Research (Teaching Asst., Fall 1998)

Economics for Engineers (Teaching Asst., combined micro/macro) (Fall 1997)

Economics Tutor (all undergraduate courses) (Fall 1995, Spring 1997)

Philander Smith College

Introduction to Marketing (Spring 1992)

Managerial Economics (Spring 1992)

Management Principles (Fall 1991)

University of Arkansas at Little Rock (Adjunct appointment)

Principles of Microeconomics (Spring 1992)

Qualified to teach: Health Economics, Healthcare Finance, Economics of Aging, Research Methods, Statistical/Econometric Analysis, Social Gerontology, Public Policy and Programs for the Elderly, Introduction to Public Health, Principles of Epidemiology, Social Epidemiology, Micro/Macroeconomics, Labor Economics.

PROFESSIONAL MEMBERSHIPS

Currently hold or recently held membership in: *Gerontological Society of America, American Public Health Association, American Economic Association, Eastern Economic Association, New Jersey Public Health Association*

PEER REVIEWER

1999 – present Ad hoc reviewer: *Journal of Gerontology: Social Sciences, Journal of Health and Social Behavior, Psychosomatic Medicine, Social Psychiatry and Psychiatric Epidemiology, Journal of Psychosomatic Research, Circulation, Social Science and Medicine, Research on Aging, International Archives of Occupational and Environmental Health, Social Forces, Ageing and Society, International Journal of Public Health, Neurosciences, Women and Health*

2007 Expert Reviewer: *Aging and Work in the 21st Century (Series in Applied Psychology)*. Kenneth S. Shultz, Gary A. Adams, editors; Lawrence Erlbaum, Publisher.

2008

Expert Reviewer: *National Science Foundation, Economics Program*

CONSULTING

1999	Department of the Treasury, State of Connecticut
2001 – present	Center for Disaster and Military Psychiatry, University of Zurich, Switzerland
2001 – present	Casemix Consulting, LLC, Hamden, CT
2002 – 2006	Department of Justice, Psychiatric/Psychological Division, Canton of Zurich, Switzerland
2008 – present	Masonicare Healthcare Services, Hamden, CT

MENTORING

<u>Period</u>	<u>Trainee</u>	<u>Research Topic</u>	<u>Current Position</u>
1998 – 1999	Leslie O'Brien, MA	Involuntary job loss and chronic disease onset.	Executive Director, Connecticut Democratic Party
1999 – 2004	Amy L. Byers, PhD	Heritability and attachment: familial factors associated with depression in aging adults.	Instructor, Weil-Cornell Institute for Geriatric Psychiatry
2000 – 2004	Lisa Barry, PhD	Recovery after bypass surgery in the elderly.	Associate Research Scientist, Yale University School of Medicine
2001 – 2005	Lisa Walke, MD	Improving quality of care for community dwelling older persons with chronic disease.	Assist. Prof., Med./Geriatrics, VA-West Haven, CT
2002 – 2004	Sin How Lim, MS	Health correlates of the older working poor.	Doctoral student, Epidemiology, University of Pittsburgh
2004 – present	Emily Cherlin, MSW	Nursing home social workers' leadership competencies in delivering end-of-life care.	Doctoral student, Social Work, University of Connecticut, Storrs
2004 – 2006	Melissa Carlson, PhD	Impact of ownership and organizational factors on delivery and quality of end-of-life care.	Instructor, Geriatrics & Adult Med., Mt. Sinai School of Medicine
2005 – 2006	Monika Lopez, MA	Effect of state policies on inter-vivos transfers and time assistance provision among the elderly and their offspring.	Visiting Instructor, Economics, Connecticut College

2005 – 2006	Joseph S. Ross, MD	Effect of income and wealth on health care use.	Instructor, Geriatrics & Adult Med., Mt. Sinai School of Medicine
2005 – 2007	Astrid Rossegger, PhD	Validity of psychiatric risk assessment instruments with sex and violent offenders in Switzerland.	Lecturer, University of Zurich
2005 – present	Yoon G. Lee, PhD	Financial security of single older women.	Assoc. Prof., Utah State University
2006 – 2007	Dina Weiner, PA	Hearing loss and cognition in the elderly.	Physician Assistant, Bridgeport, CT
2006 – present	Mario Mueller, Dipl Psy	Item non-response in psychiatric screenings	Research Associate & Doctoral student, University of Zurich
2006 – present	Mariana Guzzardo, MA	Residential environment and depressive symptoms: A comparison of Hispanic and Caucasian single frail older adults.	Doctoral student, Family Studies & Adult Development, University of Connecticut, Storrs
2006 – present	Mo Wang, PhD	Older worker employment and pathways to retirement.	Assistant Professor, Dept. of Psychology, University of Maryland, College Park
2008 – present	Janice S. Kelley, MS	Physician information seeking behaviors.	Associate Director, Bernhard Library, Quinnipiac University
2009 – present	Bidisha Mandal, PhD	Mediating factors after job loss.	Assistant Professor, Dept. of Economics, Oregon State Univ.
