

1. How to request a Sponsored Identity

<p>Login Enter https://sgi.its.yale.edu/sponsoredidentity/ in web browser. Enter NetID/Password Click Login</p>	
<p>Sponsored Identity Type</p>	<p>1. Select Sponsored Identity type from drop-down. Refer to the Sponsored Identity Procedure for definitions of each SI Type.</p>
<p>Start and End Dates</p>	<p>2. Enter duration using calendar. Select year first, followed by month and day. Durations are preset. (See page 2 for details on how to use calendar).</p>
<p>First* and Last* Name</p>	<p>3. Enter First and Last Name with the individual's legal name. ID Card cannot be issued if name in system does not match identifying documents.</p>
<p>Address Phone and Email</p>	<p>4. A US Address is required, if unavailable use Sponsoring Department address. Phone/email not required.</p>
<p>Gender*</p>	<p>5. Used as confirmation data for ID Card Center.</p>
<p>Date of Birth *</p>	<p>6. Field is validated. Use calendar to select year, month and day. (See page 2 for details on how to use calendar).</p>
<p>Social Security Number*</p>	<p>7. Required field. If unavailable or unknown request an official "dummy" SSN via employee.services@yale.edu. DO NOT make up a number yourself. Use their full Social Security number or an official dummy number. (see page 2 for how to save a request if you entered information but are waiting for dummy SSN).</p>
<p>Business Reason*</p>	<p>8. Provide brief details on reason for request to inform approver.</p>
<p>Sponsor Department</p>	<p>9a. Select Sponsoring Department by entering Supervisory Org (SO) number if known or search by number, name of individual or department. If you see "Yale University – SO" on your request, you have chosen the wrong one and your request will be rejected. 9b. Select enter on keyboard, scroll down page to select from red highlighted options. 9c. Place checkmark in selection, page down & click Apply Changes.</p>
<p>Sponsor Name Search</p>	<p>10. Sponsor is not required. A Sponsor is a Yale employee that should be linked to SIs. Sponsor Name and Title default if Sponsor Name is entered. (see additional details in document referenced at page end).</p>
<p>Additional Information</p>	<p>11. Not required, use if needed.</p>
<p>Do you want to display in Directory?</p>	<p>12. If the identity will have a yale.edu email address, you must choose "Yes" in order for their name to appear when emailing or in the Outlook email directory.</p>
<p>Do you want to issue an ID Card?</p>	<p>13. Only displays for eligible SIs. Defaults to No. Change to Yes, if needed. ID Card must be processed directly with ID Card Center.</p>
<p>Complete Request</p>	<p>14. Ensure all required fields indicated by * are entered. Click submit. For detailed information, access Sponsored Identity Webpage.</p>

2. How to Guide for Sponsored Identity

<p>How to Modify, Activate or Deactivate an SI</p> 	<p>Select Manage SI</p> <ul style="list-style-type: none"> • Select Actions to: • Modify: Change Start or End Dates and other information. Gender, Date of Birth and Social Security Number can only be viewed and changed by the SI administrator. Contact helpdesk.yale.edu for assistance. • Activate: Reactivate a deactivated SI. • Deactivate: Inactivate a current SI record. • Select Submit.
<p>Avoiding Duplicate Identities</p>	<p>If an individual has been at Yale before and has a NetID, please make sure to:</p> <ul style="list-style-type: none"> • Ensure that they do not already have an active Workday record—if you try to create a New SI it will be rejected. • Ensure they do not have an active or inactive SI record already—if you try to create a NEW SI it will be rejected. • If an inactive record exists in SI, reactivate it. • If no previous SI record exists, make sure that you use the same spelling of first and last name, Date of Birth and SS# associated with their original record and NetID.
<p>What to do after SI is approved</p>	<ul style="list-style-type: none"> • Request PIN by entering request through the Yale ITS Service Portal • If ID Card is required, forward SI confirmation email, with applicable charging instructions to ID Center. • If email is needed, enter request through the Yale ITS Service Portal. • IF VPN access is needed, follow VPN process accessed here, http://its.yale.edu/forms-policies/forms/vpn-access-request-form
<p>How to Search within Sponsored Identity</p>	<p>To search for an individual by Name, enter First and Last Name. To get a list of all SIs in your dept. select Sponsoring Department by entering Supervisory Org dept. number, or name of Strategic Business Partner/Business Partner. Use Enter on keyboard, scroll down page to select from red highlighted options.</p> 
	<ul style="list-style-type: none"> • Cancels the request. • Clears all entered fields. • Saves entered fields for 30 days. Update via links to Saved Requests. Use Save if you need to validate information such as the dummy SSN. • Submit validates entry of required fields and submits request for approval
<p>How to Use Calendar</p>	<p>Must select year first, then month and day. To access years, select Calendar icon. Click on Month/Year. Double click on Year. Use arrows to work through decades. Select year, month and day. If date change is needed, use the calendar icon to make the change.</p>
<p>How to logout</p>	<p>Click on X arrow in upper right hand corner of your browser.</p>
